Best For

Small businesses, nonprofits, and founders who need financial clarity and strategy

WHAT WE PROVIDE

- **Financial Forecasting & Planning:** Multi-year revenue models, expense projections, and scenario planning to guide decisions.
- **Cash Flow Management:** Monitor, manage, and improve cash flow so your business always has what it needs to operate.
- **Credit Improvement Support:** Strategies and coaching to strengthen your business credit profile and qualify for better financing.
- **Business Loan Application Support:** We prepare projections, narratives, and lender packages for SBA and community lenders.
- **Financial Workflows & SOPs:** Build the internal systems your team uses to track and report finances consistently.
- **Controller Services:** Oversight of your accounting function, internal controls, and financial close process every month.
- **Fractional CFO Services:** Strategic financial leadership without a full-time hire: forecasting, board reporting, and capital strategy.
- **Financial Software Implementation:** QuickBooks, Xero, Brex, Stripe, and other financial tools set up and integrated properly.
- **Audit Preparation:** Records organized, documented, and ready for any regulatory, institutional, or grant audit.
- **Nonprofit Fund Accounting:** Restricted and unrestricted fund tracking, grant reporting, and compliance for mission-driven organizations.
